ASSOCIATE PROFESSOR

PERSONAL PROFILE

Highly driven Associate Professor with excellent skills in quantitative research, with Head of Department experience, I have extensive expertise in curriculum development and management both at UG and PG levels. Experience leading and operationalizing academics' workloads and timetables across several locations in Jordan. Excellent at efficiently streamlining academics' workload. Proactively involved in and member of several academic and research committees. I have experience using blended learning and evidence of delivering excellent student experience and satisfaction. Excellent research potential is evidenced through successful track record of publications. I am eager to apply my academic experience, quantitative research skills and leadership qualities, to add value to different academic and non-academic projects.

- Quantitative data analysis skills with a focus on inferential statistics
- Bilingual researcher: Arabic (native speaker), English (very good level);
- Computer Skills: excellent skills using Microsoft Office
- Data Analysis Software: excellent knowledge of SPSS

ACADEMIC QUALIFICATION

2010–2014– PhD in Supply Chain Relationships, University of Kent–UK

Title of Thesis:“An Examination of Supply Chain Relationships in Jordanian Manufacturing Context: A Cultural Perspective.”

2005–2008– MBA, Mutah University– Jordan

2001–2005– BA Teaching Mathematics, Mutah University–Jordan

WORK EXPERIENCE

2014-Present- Associate Professor, Mutah University- Jordan

Key responsibilities

- Module leader and tutor on various UG and PG modules, including: Operations Management, Supply Chain Management, Total Quality Management, Control Management, Banks Management, Applications of Statistics for Business Students, Principles of Management, Data Analysis Using SPSS, and Ethics in Work Place. In addition, at the postgraduate (MBA) level, for example, Research Methods in Social Sciences, Strategic Management, Hospital Administration, Human Resource Management, Training and Development, and Project Management.

Key Achievements

- **Appointed Head of Business Administration Department, Mutah University- Jordan**
 - Scheduled the workload in three locations (Al-Karak, Amman, and Aqaba) to ensure consistency of teaching team.
 - Ensure consistency of assessment strategy and oversaw the examination schedule for both undergraduate and postgraduate programmes, including MBA comprehensive exams.
 - Reported to the Dean of postgraduate studies on students’ voice on the MBA programme.
 - Worked with the department to establish the foundation for a new international program for international students
 - Successfully launched a project to enhance cross-departmental collaboration and offerings for students.

2009-2015- Purchasing Officer, Elreha Jordan Co. - Jordan

- Reviewed customers' orders and generating the sales orders;
- Selected the right suppliers and creating the purchase orders;
- Followed up on engineering issues, quality issues and price issues;
- Ensured timely and accurate shipments; and
- Invoiced customers.

The company's headquarter is located in Florida, the European branch is located in Germany, and two operations offices are located in Hong Kong and Jordan. I mainly handle the office orders from Germany and communicate with the two operations offices to facilitate and arrange shipments, which are all done online.

2008-2009- Documentation and Customer Service, Al-Jazy Shipping and Forwarding Company- Jordan

- Tracked the shipments online and via the phone;
- Prepared manifests for the customs department;
- Contacted the customers and clearance companies by sending loading confirmation, pre-arrival notice and arrival notice;
- Prepared invoices to the customer and also collecting them; and
- Filled out the shipments.
